

Dear Teamcaptain,

07-09-2024

Hereby we send you the instructions for the arrival at the trailer ramp/marina.

For all participants the start at the trailer ramp is from 6:00.

Address: Sluiskade Jachthaven Almere Haven.

Trailing the boat before 6:00 is not allowed!

All participants must approach the trailer ramp from the Strandweg indicated in the drawing.

At the start of the trailer ramp, check-in starts at 6:00 am. You will be welcomed at the marina with a cup of coffee and a biscuit.

There are also toilets at the trailer ramp for emergencies.

You will then be guided to the ramp where a quick boat check will take place and you will receive the following items. Goodie bag, packed lunches, life jackets, measuring board.

You then trailer the boat, park your combination and wait in your boat in the waiting area.

When all boats have been trailered, we will leave at 8:30 am for the start of the event.

This will of course be accompanied by two of our control boats.

If you have any further questions or uncertainties, we would like to hear from you.

You can then contact us via the contact details below.
